CRYSTAL CALCIUM FLUORIDE :

Mail Stop ISSUE FEE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

REQUEST FOR CORRECTED NOTICE OF ALLOWANCE

Sir:

Applicant has received a Notice of Allowance and a Notice of Allowability dated June 21, 2006, in the above-identified application, in which the Notice of Allowance incorrectly lists the TITLE OF INVENTION as "METHOD OF MANUFACTURING A SINGLE CONTROL CALCIUM FLUORIDE."

The title as listed contains a misspelling and does not reflect the title as amended by the Examiner. Specifically, the title should read -- METHOD OF MANUFACTURING A SINGLE CRYSTAL CALCIUM FLUORIDE --. Applicant, therefore, requests that the TITLE OF THE INVENTION be corrected to read -- METHOD OF MANUFACTURING A SINGLE CRYSTAL CALCIUM FLUORIDE --. Accordingly, Applicant requests that a corrected Notice of Allowance be issued to make this correction.

Applicant believes that no fees should be incurred in connection with filing this paper. Nevertheless, the Commissioner is authorized to charge Deposit Account No. 06-1205 should any fees be associated therewith.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should be directed to our below-listed address.

Respectfully submitted,

Attorney for Applicant
Steven E. Warner
